Re: 2014-2015 Poppy Orders

Dear Unit Presidents,

This year we are hoping to have enough Vermont made poppies to fill all of our orders.

Please find enclosed the 2014-2015 year Poppy Order Form. As you can see there has been an increase in postage.

It is very important that your order is received at Department Headquarters before the deadline of October 1, 2014. I will be unable to accept any orders after that deadline.

If your Unit does not receive their order by April 1, 2015 you will need to contact Department Headquarters. Please do not contact Headquarters before the April 1, 2015 date as the Poppy Production Manager may not have all poppies shipped before then.

UPS will do the delivery of the orders, so no P.O. Boxes may be used. If you have any questions please do not hesitate to contact me.

Thank you in advance for your cooperation with your Unit's poppy order.
