Let's help make Texas strong!

As most of you are aware, Texas has been hit with devastation due to hurricane Harvey. We must remember when Vermont was hit with hurricane Irene and the devastation and loss we suffered! The help that was needed there is now needed in Texas! Please help us show Texas our Vermont Strong Code with monetary donations so that we may help them. Make all monetary donations out to the Vermont Department American Legion Auxiliary, in hopes to be able to forward one HUGE check to National Headquarters from Vermont's Auxiliary.

**Thanks so kindly,
