**Examples:** Forward the Americanism Essay Contest information to your local school board, principal, and/or guidance counselor now, this gives plenty of time for classrooms to participate. Unit 69 did this and the guidance counselor has already forwarded the information to the Social Studies and English teachers.

Teacher Appreciation Week: Something as simple as sending a basket of fresh flowers for the teacher's lounge with a note from your Unit, it is great PR and keeps our organization's name out there. (Thank you Pat Sherman.)

As one of my mentor's (Deb Tiernan) recently said: "Education works both ways; a young person can teach us too!"
