

## Nancy Mossey Tetreault Award

**To: American Legion Auxiliary Units**  
**From: Nancy Mossey Tetreault**

I have always been a cheerleader for the Sons of American Legion. Their members have a great respect for the Veterans, and their hearts reach out to help in any way that they can. I have always felt that their motives were always very respectful to our Veterans.

1997-98 were the years that I was Dept. President for the American Legion Auxiliary. It was a special year for me, but very busy. I had an excitement to do many good things, and one of my biggest advocates was Harold Trombley, plus many friends that I had in the Sons. There was nothing that I asked them to do that did not get done. Harold even had a fund raiser, a casino night, which helped raise money for my project, which was the Veterans Assistance Fund.

Qualifications for consideration could be but are not limited to:

1. Sons of The American Legion Member
2. Attending their meetings every month, helping with functions
3. Respectful to the Veterans and Auxiliary members
4. What they do in their own Post to help out

Usually there is one member that goes above and beyond for the year, but if for some reason there is not a candidate that qualifies, we will not award it. Please write a brief description of what member does for Auxiliary. **Deadline is June 1, 2019**

Candidates Name: \_\_\_\_\_

Squadron Name: \_\_\_\_\_

Description of what member does:
