

**Department of Vermont Auxiliary President –
LYNDA FARMER'S PROJECT 2017 - 2018
“MINI PUTTING GREEN FOR THE SOLDIERS”**

**At the
VERMONT VETERANS HOME, BENNINGTON VT**

*It is Department Auxiliary President - Lynda Farmer's Project
to provide a Mini Putting Green for the
dementia patients at the Bennington Veterans Home.*

*It seems; research shows, that dementia patients can remember hobbies or
activities from before the time of their onset of dementia. This Mini Putting
Green will help with their cognitive skills and will promote exercise as well.*

Please consider donating to this very worthy project. Thank You.
