Re: **Weekly Briefing 04-02-2021**

Don't forget! The National Commander's 100 Miles for Hope starts today. If you haven't registered yet and want to participate, go to <https://www.legion.org/> and sign up! This is a great activity to do as The Legion Family; maybe we can get a little good natured competition going at each Post home!

It hasn't been a "slow" week at National Headquarters, but I don't have a lot to report on this week. (Kelly at a loss for words?? What?? 😊) The staff and I have been working with NVP Kathy Daudistel on Department Leadership National Conference (DLNC) and National Chairmen's Meeting (NCM), planning for National Poppy Day, editing the magazine, etc.

I'll be giving a full briefing on our media plan for National Poppy Day and maybe some Indy 500 info next week so stay tuned!

I found this article, while lengthy, contains lots of useful information to our NEC members as we continue to evolve:

If you have a chance to read it, let me know what you think!

There are no Red Book updates this week.

If you're a basketball fan, enjoy the Final Four this weekend! Also, Happy Easter to those who celebrate the holiday!
