Re: **Weekly Briefing 04-16-2021**

NHQ staff have been busily preparing for the National Chairmen's meeting and DLNC that are happening next week/weekend. We're all looking forward to sharing ideas, training, and getting familiar with new roles and new leaders.

We hit a new high last night! We set a new attendance record for our webinars at 196 in attendance of *Unit Fundraising: Moving the Mission Forward by Engaging your Community*. Kudos to the presentation team, including members Anne Rehbein and Marge Christianson, for an outstanding performance!

Questions are starting to come in regarding the 2021 National Convention in Phoenix. We are still in the planning stages so be on the lookout for an update in mid to late June. We are excited about the possibility of meeting in person after so long and are keeping our fingers crossed! Stay tuned! 😊

I ran across a really interesting article from BoardSource this week. It's titled, "Practicing Self-Management" and while it is directed at CEO/ED officers, just substitute leader for CEO/ED and there are some valuable tips for any Chair or unit/district/department president. I've attached it for your viewing pleasure.

Please see the attachment for Red Book updates this week.
