Re: Weekly Briefing 10-29-2021

November is Family Caregiver Month

To celebrate the dedication and sacrifice of caregivers everywhere, we present **Mission Delivery through Caregiver Support** at 8 pm ET on Tuesday, November 9, 2021. In this 30-minute-long webinar, participants will learn more about caregivers and possibly themselves as we explore National President Kathy Daudistel's focus of caring for those who care for others.

Attendees will learn how to identify caregivers in their community as well as become empowered to identify themselves as caregivers. They will also learn how to support the caregivers in their communities as well as other organizations that operate in the field of caregiver support.

Registration opens Tuesday, October 26. The link will be available on our ALA NHQ Facebook page at <https://www.facebook.com/alaforveterans>.

The Department of Veterans Affairs is offering an exclusive free screening of **'The Weight of Honor'** in support of National Family Caregivers Month for Veterans, families and caregivers. Please share widely with your Veteran, family, caregiver, and survivor networks!

When: Starting October 31st through November 7th – 11:59pm – 11:59am ET
